Pain Disability Index

Patient Name: _____ MRN: Date:____/____/_____

Date of Birth: ___/____/____

In order to determine how effective your treatment is, we need to know how much pain is interfering in your normal activities. Please select the number on the scale which describes the level of disability you have experienced in each area OVER THE PAST WEEK.

A score of "0" means no disability at all, and a score of "10" indicates that all of the activities which you would normally do have been totally disrupted or prevented by your pain over the past week. Circle "0" if a category does not apply.

FAMILY/HOME RESPONSIBILITIES: This category refers to activities related to the home or family. It includes chores or duties performed around the house (e.g., yard work, house cleaning) and errands or favors for other family members (e.g., driving the children to school).
